Sir:

I, Andrew Smyth, hereby declare:

1. Ian Charles Ogilvy is the sole named inventor in the above-subject patent application.
2. Ian Charles Ogilvy is no longer an employee, officer or director of CardSoft Inc. or its predecessor CardSoft International.
3. The last known address of Ian Charles Ogilvy is:

Suite 306, 39 East Esplanade
Manly, New South Wales, Australia 2095
4. I have firsthand knowledge of the following facts relating to the efforts to contact Ian Charles Ogilvy.
5. Neither I, nor anyone else at CardSoft, has had any contact with Ian Charles Ogilvy since 2001.
6. When Mr. Ogilvy left CardSoft in 2001, he left no forwarding address. We had heard through third parties that Mr. Ogilvy was working with a company called Keycorp in Australia; however, he never acknowledged any communications sent to him at Keycorp. Sometime later, possibly in 2003, we heard that he left Keycorp. There have been no confirmed sightings of or contact with Mr. Ogilvy since that time.

7. On at least 4 occasions since 2001, we have written to all shareholders of CardSoft including Mr. Ogilvy. In the absence of any correct or forwarding address, we had resorted to sending any communication for Ian Ogilvy care of his aged mother, who lived at Coffs Harbour, a small town in northern New South Wales, Australia. In each communication, we invited Mr. Ogilvy to confirm/update their contact details. We never received any response from Ian Charles Ogilvy or his mother. As such we do not know whether the Coffs Harbour address is still valid, or even if Mrs. Ogilvy is still alive (I met her in 2000, and she must have been late 70s at that time).

8. I further declare that all statement made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code.

Respectfully submitted,

Andrew Smyth
